## INTRODUCTION

### ABOUT EMOTIONS

Emotions are feelings we experience every day, such as happiness, sadness, excitement, or anger.

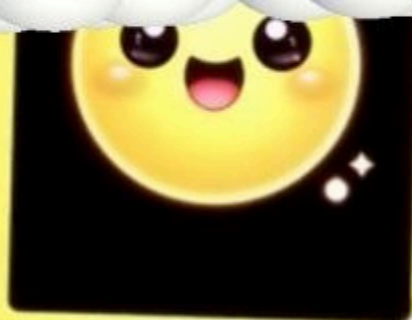

These feelings can affect how we think and make decisions.

Understanding our emotions helps us connect with others and handle different situations better.

**The Color of Feelings** helps you learn about emotions in a fun way. By scanning AR markers, you can see emotions come to life and explore them through interactive experiences. This helps you understand your own feelings and recognize them in everyday life.

# HAPPINESS

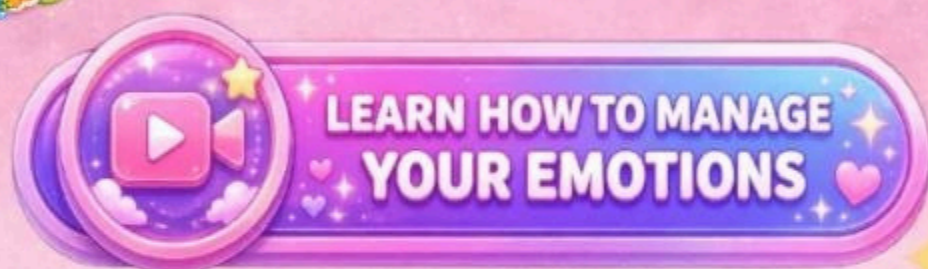

*True happiness comes from  
remembering Allah.*

أَلَا بِذِكْرِ اللَّهِ تَطْمَئِنُّ الْقُلُوبُ

*Surely in the remembrance of  
Allah do hearts find comfort.*

Surah Ar-Ra'd  
(13:28)
